

New Mexico Council of Teachers of Mathematics

<http://nmctm.org>

Dear New Mexico Teacher,

On behalf of the Board of Directors of the New Mexico Council of Teachers of Mathematics (NMCTM), we would like to extend an invitation to you to join NMCTM. You will be joining an organization dedicated to providing teachers with an opportunity to make a real impact in improving mathematics education for all of New Mexico's children.

This is an opportunity to share your work in mathematics with other teachers in the state, to hear about professional development opportunities, and create a community among mathematics teachers in New Mexico. The best news is that it only costs \$10 to join NMCTM!

If you'd like additional information about NMCTM, visit our website, nmctm.org. To join NMCTM, please complete the form found at the bottom of the page and mail it to:

**Sheila Hills
P.O. Box 567
Fairacres, New Mexico 88033**

with a check for \$10 made out to the New Mexico Council of Teachers of Mathematics. Questions about NMCTM can be emailed to our board.

Thank you for your interest in NMCTM!
