	10		10

1. Students who choose to do a thesis will enroll in CD 599 (Master's Thesis) for a minimum of 6 additional credits.

2. The **TRADITIONAL PLUS (+) PROGRAM** follows the same sequence as the Traditional Program. Additional term(s) (e.g., the Summer Sessions following Block 5) can be used to acquire clinical clock hours if the required 400 clock hours have not been accrued by the completion of Block 5.
