Courses in **BOLD** are guaranteed to transfer to other NM colleges/universities as part of the statewide common core.

NMSU requires a grade of “C-” or better to meet the Basic Skills requirement in Math and English. Basic Skills in Math and English must be met in order to take any upper division (300-400 level) course.

**Developmental Math and Developmental English courses are included on transcripts and will be calculated in the grade point average, but do not count towards total degree credit hours.**

This degree plan is designed to meet all of the NMSU general education requirements listed in the undergraduate catalog. However, if a course substitution is granted for this degree plan, be aware that it might not apply to another program (e.g. minor). Please see your advisor for assistance.
